

THANK YOU

Cornerstone is a holistic ministry congregation that seeks to apply the good news of Jesus Christ to every dimension of life.

In addition to our weekly inspirational worship, Christ-centered preaching, and biblically sound teaching, we have:

- awarded \$33,000 in academic scholarships to youth;
- served over 3,000 meals to homeless men in our community,
- provided mentoring, encouragement and counseling to young, displaced mothers;
- Shared our resources - financial, spiritual, and moral - with families in crisis situations.

Still, there is so much more to be done in our communities.

Would you prayerfully consider making a donation to support our vision of holistic ministry?

Your tax-deductible contribution is appreciated and can be applied as a general donation or specifically directed to our Capital Campaign, Academic Scholarship, Crisis ministry, or Youth Ministry. Once again, **THANK YOU** for this hit, and **THANK YOU** for sharing it with friends!

In His Service,
